CORNER SHOP

You may have noticed that Fenwick, the beloved department store on Bond St at the corner of Brook St, has had a makeover. So why change a winning formula? "Fenwick has always offered the unexpected every season," says head of buying Mia Fenwick. "The challenge with the revamp was keeping what everyone loves about Fenwick—the curated feel, the customer service, the space and natural light—and taking it into a new era." It's safe to say the team has pulled off the feat, with new labels and a fresh layout. Here are some of Mia's favourites, now in store. www.fenwick.co.uk

CLOTHING

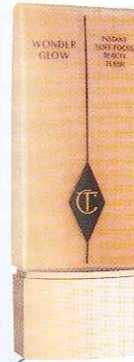

"I'm really excited about **Vanessa Seward's** Seventies-influenced collection (below) and the gorgeous **Vilshenko**—in fact, I'm wearing one of her tops in the main picture. Shoes-wise, I love **Gianvito Rossi** (on shelf, right) and for the weekend my go-to sneakers are by **Common Projects** (above)."

CLOTHING: VANESSA SEWARD; SHIRT: VILSHENKO; SHOES: GIANVITO ROSSI; SCARF: BY FENDI; BURGUNDY BAG: BY SAVAS MILANO. SHOT AT BOND & BROOK ST, FENWICK OF BOND STREET, 69 NEW BOND STREET, 020 7629 9161. WWW.FENWICK.CO.UK

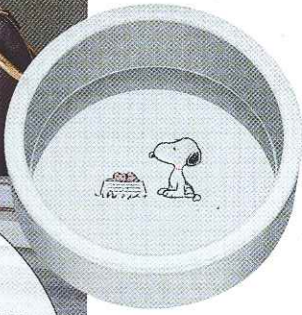

BEAUTY

"**Charlotte Tilbury's** Wonderglow (above) is a big favourite: it's Charlotte's 'no-makeup' skin-perfecting miracle product. We have just launched **By Terry** in store and her new concealer pen (left) is an instant must-have iconic product. I'm devoted to **MAC Ruby Woo** lipstick, and also love **Odin** fragrances from New York (right)—their new 00 is exclusive to us. Another newcomer to the store is **Grandiflora**, a fragrance line by Saskia Havekes, an incredible florist whose book, *Flower Addict* (on shelf), is also available at Fenwick."

JEWELLERY

"**Eddie Borgo** has been a friend for a long time. I'm excited to be stocking his collection (above), full of wearable modern styles. **Alison Lou's** work (necklace below) is new and it's a lot of fun. She did a whole Vegas story on the theme of gambling. It's fine jewellery, with a playful twist. And my **HALL Collection** bracelet, below, is very special to me."

HOME

"**La Molina** (below) is an old-school Florentine chocolate shop—their pralines are so delicious. **Begg & Co** Scottish cashmere (right) begs to be snuggled up in. And my very spoilt spaniel **Serpico** loves **Mungo & Maud** dog accessories (above right)."
